

Kieran Walsh

Engineering Maintenance Apprentice (applying)

Derby 07700 900219 kieran.walsh@example.com Full UK driving licence (provisional)

Profile

College leaver with a Level 2 Diploma in Engineering and five GCSEs at grade 5 or above, including maths, English and science. Enjoys finding out why machines stop working: rebuilt a scooter engine at home and fault-found motors and pumps in the college workshop. Now working full time in a builders' merchant warehouse. Looking for a Level 3 engineering maintenance apprenticeship.

Education

Level 2 Diploma in Engineering, Merit, Derwent Vale College, Derby 2025–2026

Units: hand fitting, electrical principles, motors and gearboxes, workshop safety

GCSEs, Darley Brook School, Derby 2025

Maths 6, Combined Science 6-6, English Language 5, Design and Technology 7, History 4

Experience

Warehouse Assistant, Trentside Builders Supply, Derby 2026–present

- Unload deliveries, check them against the paperwork and put stock away by bay and shelf.
- Count stock each Friday and record goods in and out on the handheld scanner.
- Work to the yard's safety rules for forklift areas and wear the right PPE.

Work experience, Pennant Packaging, Derby One week, 2024

- Shadowed a maintenance fitter on planned maintenance of a conveyor and saw the lockout procedure.

Projects

- Rebuilt a 50cc scooter engine with my uncle: stripped it, measured wear, ordered parts and kept a log of each step.
- Built a line-following robot for the college open day and wired its motor driver board.

Skills

- Hand tools, drilling and filing to a drawing
- Reading simple wiring diagrams
- Fault-finding step by step
- Keeping clear written records
