

Isabel Moreno

Architect

Newcastle upon Tyne 07700 900183 isabel.moreno@example.com Portfolio: isabelmoreno.example

Profile

ARB-registered architect with eight years in practice, five since Part 3, on housing and school projects from £2 million to £14 million. Leads projects from brief to completion, writes planning applications and runs site inspections. Works in Revit and AutoCAD and presents clearly to clients and planning committees. Looking for a project architect or associate role.

Experience

- Project Architect, Tyne & Ouse Architects, Newcastle**

2021–present

 - Lead a £14 million primary school extension from RIBA Stage 2 to Stage 5: design, planning, tender drawings and coordination with engineers.
 - Won planning consent for 38 homes on a brownfield site after two public consultation events.
 - Run fortnightly site inspections and issue instructions under the building contract.
 - Mentor two Part 1 assistants and review their drawings before issue.
- Architectural Assistant (Part 2), Wearside Design Studio, Sunderland**

2018–2021

 - Produced planning and building regulations drawings for housing schemes and a community centre.
