Liam Fletcher

Carpenter

Leeds | 07700 900258 | liam.fletcher@example.com | CSCS Gold Advanced Craft card, own tools and van

Profile

Qualified carpenter and joiner with nine years in housebuilding and refurbishment, five since finishing a Level 3 apprenticeship. First and second fix on new-build homes, from roof timbers and stud walls to staircases, doors and kitchens, at about one house a week to the site programme. Reads drawings, works to tolerance and leaves each plot ready for the next trade. Looking for a lead carpenter role.

Experience

Carpenter, **Meanwood Homes, Leeds** **2021–present**

- First fix on new-build houses: floor joists, roof trusses and rafters, stud partitions and door linings, from the plot drawings.
- Second fix: hang doors and fit staircases, skirting, architrave and kitchen units, about one house a week.
- Agree the week's plots with the site manager and keep to the build programme so the plasterers and electricians can follow on.
- Check each plot against the drawings and the snagging list before handover.
- Mentor a second-year apprentice on site.

Apprentice, then Carpenter, **Kirkstall Joinery & Building, Leeds** **2017–2021**

- Refurbishments and extensions: timber floors, sash window repairs and fitted furniture made in the workshop.

Qualifications and cards

Craft Carpentry and Joinery Level 3 Advanced Apprenticeship **2021**
