

Maria Santos

Cleaner

Southampton | 07700 900164 | maria.santos@example.com

Profile

Cleaner with six years in office and hospital cleaning, working early mornings and evenings alone and in small teams. Uses cleaning chemicals safely, follows infection control procedures on wards and keeps to a cleaning schedule without supervision. Keyholder for two office buildings. Looking for a part-time or full-time cleaning role.

Employment

Domestic Assistant | Southgate General Hospital, Southampton | 2022–present

- Clean two surgical wards to the hospital schedule, including bed spaces, bathrooms and sluices.
- Follow infection control procedures for isolation rooms, using colour-coded equipment and the right dilutions.
- Restock cleaning materials and report repairs and spills to the ward sister.

Office Cleaner | Brightway Cleaning Services, Southampton | 2020–present

- Clean two office buildings each evening, five days a week, holding keys and alarm codes for both.
- Vacuum, mop, clean kitchens and washrooms and empty bins to each building's checklist.

Training

- Infection prevention and control (2025)
- COSHH awareness: safe use of cleaning chemicals (2024)
- Manual handling (2024)

Skills

- Hospital and office cleaning schedules
- Safe use and dilution of cleaning chemicals
- Floor machines: scrubber dryer and buffer
- Working alone and keyholding

Additional information

Available early mornings, evenings and weekends. Portuguese (native), English (fluent).
