

DR PRIYA NAIR-HUGHES

Foundation Year 2 Doctor

Nottingham · 07700 900222 · p.nairhughes@example.com · GMC 0000000, full registration with a licence to practise

PROFILE

Foundation Year 2 doctor completing rotations in acute medicine, emergency medicine and general surgery at a large teaching trust. Confident clerking and managing acutely unwell patients on the medical take, with a completed audit on sepsis antibiotics and regular teaching of medical students. Looking for a clinical fellow post in acute medicine.

CLINICAL POSTS

Foundation Year 2, Trent Valley University Hospitals 2025-2026

- Acute medicine: clerk and review patients on the take and in the acute medical unit, and present to the consultant on post-take rounds.
- Emergency medicine: assess and treat adults in majors and resus with senior support.
- General surgery: manage ward patients before and after surgery and run the surgical admissions list at night.

Foundation Year 1, Trent Valley University Hospitals 2024-2025

- Respiratory medicine, care of older people and trauma and orthopaedics: daily ward rounds, discharge letters and referrals.

EDUCATION AND REGISTRATION

MB ChB, Charnwood University Medical School 2019-2024

GMC full registration with a licence to practise 2025

Advanced Life Support (ALS) 2025

AUDIT, TEACHING AND COURSES

- Audit: time to first antibiotic in suspected sepsis on the acute medical unit; re-audit after a new prompt showed more doses within the hour.
- Teaching: weekly bedside teaching for third-year medical students during acute medicine.
- Courses: Simulation in acute care, 2025; Teaching the teachers, 2025.

CLINICAL SKILLS

- Clerking and managing the acutely unwell adult
- Arterial blood gases, cannulas and catheters
- Ascitic and pleural taps under supervision
- Discharge planning with the ward team
