Dear Mrs Ashby

Application for Warehouse Supervisor

I am applying for the Warehouse Supervisor role at your Darlington site. I am leaving the Army in December after 12 years in the Royal Logistic Corps, the last five as a corporal running a stores and distribution team of eight.

My team looks after 6,000 lines of stock worth £2.4 million and plans daily deliveries to 14 sites. Every quarterly audit since 2022 has found our stock accurate, because we count little and often and fix differences the same day.

I hold counterbalance and reach truck licences and a Category C licence, and I have completed IOSH Managing Safely as part of my resettlement. I write our rota and train every new team member, which your advert asks for.

I could start in January 2027. My CV is attached. Thank you for considering my application.

Yours sincerely

Steven Rowan
