Ms Rachel Kerr
Bar Manager
The Ironworks Bar
45 Bath Street
Glasgow G2 1HW

Dear Ms Kerr

Application for Bar Supervisor

I am applying for the Bar Supervisor role at The Ironworks. I have four years' experience behind the bar in a busy city-centre cocktail bar and a traditional pub.

At The Copper Still I serve up to 300 customers a night at weekends on a four-person bar, with drinks out in under three minutes. I make our 20-cocktail menu and develop two new serves each season with the bar manager.

I change kegs, clean the lines weekly and rotate stock in the cellar, and I cash up and close the bar as keyholder twice a week. When a customer has had too much, I refuse service calmly and bring in the door staff if needed.

I can work late nights and weekends. My CV is attached, and I would be glad to work a trial shift. Thank you for your time.

Yours sincerely

Kieran Docherty
