Dear Recruitment Team

Application for Cabin Crew, Gatwick base

I am applying to join Weald Airways as cabin crew at your Gatwick base. I have four years' front-of-house experience at a busy airport hotel, where I welcome up to 200 guests a day, many of them straight off long-haul flights.

I lead the hotel's night shift twice a week. When a guest collapsed in the lobby one night, I gave first aid, called the emergency services and stayed with them until the paramedics arrived, while a colleague looked after the guests waiting to check in.

I speak conversational Spanish and help guests in it every week, and I was the team's top seller of room upgrades in 2025, which I would like to bring to your onboard sales.

I hold a valid UK passport, can swim 25 metres, live 20 minutes from Gatwick and can work early starts, nights and overnight stops. My CV is attached. Thank you for considering my application.

Yours faithfully

Megan Lewis
