Mr Gareth Sowerby
Contracts Manager
Calder Ridge Homes
Unit 4, Kirkgate Works
Leeds LS12 9XQ

Dear Mr Sowerby

Application for Lead Site Carpenter

I am applying for the Lead Site Carpenter role at Calder Ridge Homes. I am a qualified carpenter and joiner with nine years in the trade, five since finishing my Level 3 apprenticeship, and I hold a CSCS Gold Advanced Craft card.

At Meanwood Homes I do first and second fix on new-build houses, from roof trusses and stud walls to staircases, doors and kitchens, at about one house a week. I agree each week's plots with the site manager and keep to the programme so the next trades can follow on.

I already mentor a second-year apprentice, and leading a small team of carpenters on one development is the next step I want. Your sites are within easy reach of Leeds, and I have my own tools and van.

My CV is attached. I can start after one week's notice. Thank you for considering my application.

Yours sincerely

Liam Fletcher
