Dear Mr Lennox

Application for Junior Sous Chef

I am applying for the Junior Sous Chef position at Kittiwake Fish Kitchen. I am a chef de partie with six years in hotel and restaurant kitchens, and I run the sauce section at The Grain Store Brasserie, a 90-cover brasserie in Edinburgh.

I run my section for up to 180 covers on a Saturday with one commis chef. I develop two dishes for each seasonal menu with our head chef and cost them to the menu's margin; this autumn's hake with mussels and a cider sauce has stayed on as a special.

I check deliveries and place the section's orders with three suppliers, and I keep our temperature and allergen records and train new commis chefs on them. Your menu is built around Scottish fish and shellfish, which is the cooking I most want to do.

I can work split shifts, evenings and weekends. My CV is attached, and I would be glad to come in for a trial shift. Thank you for your time.

Yours sincerely

Callum Fraser
