Dear Mrs Grant

Application for 7.5-tonne Delivery Driver

I am applying for the 7.5-tonne Delivery Driver role at Wentworth Larder Foods. I hold a full UK licence with categories B and C1 and no points, and my Driver CPC card is up to date. I have five years' experience on multi-drop parcel and grocery routes around Doncaster and Sheffield.

At Swiftline Parcels I deliver 110 to 140 parcels a day on a set route, keeping my on-time rate above the depot target. I load the van in drop order each morning, check the vehicle before setting off and record every failed delivery on the handheld tracker.

Before that I delivered chilled and frozen shopping for Fresh Basket Supermarkets, checking substitutions with customers at the door, so I am used to keeping food at the right temperature and to talking to customers.

I can start early, work weekends and cover the Christmas peak. My CV is attached. Thank you for considering my application.

Yours sincerely

Lee Bishop
