Dr Martin Ellwood
Consultant in Acute Medicine and Clinical Lead
Wolds Valley Hospitals NHS Trust
Acute Medical Unit, Becks Road
Lincoln LN2 9WZ

Dear Dr Ellwood

Application for Clinical Fellow in Acute Medicine

I am applying for the Clinical Fellow post in Acute Medicine. I am a Foundation Year 2 doctor at Trent Valley University Hospitals, with full GMC registration and a licence to practise, and I hold Advanced Life Support.

On my acute medicine rotation I clerk and review patients on the take and in the acute medical unit, and present them to the consultant on the post-take round. My emergency medicine rotation gave me experience of assessing and treating adults in majors and resus with senior support.

I completed an audit of time to first antibiotic in suspected sepsis on our unit and re-audited after we introduced a prompt, when more doses were given within the hour. I also teach third-year medical students at the bedside each week.

I would value a year in acute medicine before applying for internal medicine training. My CV is attached. Thank you for considering my application.

Yours sincerely

Dr Priya Nair-Hughes
