Dear Ms Lowe

Application for Senior Stylist / Salon Manager

I am applying for the Senior Stylist and Salon Manager role at Canning Row Salon. I have eight years' experience in city-centre salons and specialise in colour, balayage and precision cutting.

At Bold Street Hair Studio I see about 30 clients a week and keep a 75% rebooking rate, and I grow my column by posting finished work on social media. I run patch and strand tests and keep colour records for every client.

I train two junior stylists in colour application and consultations, and I would like to take on the running of a salon team. Your salon's colour education evenings are exactly the kind of training I enjoy giving.

You can see my recent work at [instagram.com/jadecarterhair.example](https://www.instagram.com/jadecarterhair.example). My CV is attached, and I would be happy to do a trade test. Thank you for your time.

Yours sincerely

Jade Carter
