Dear Mr Hartley

Application for Class 1 HGV Driver (nights)

I am applying for the Class 1 night driver role at Aire Valley Distribution. I hold a full licence with categories C and C+E and no points, a current Driver CPC card and a digital tachograph card, and I have seven years' HGV experience.

At Calder Valley Haulage I drive night trunks to depots in the Midlands and the South East, about 600 miles a shift, and make regional multi-drop deliveries of chilled food to 8 to 12 stores with a tail-lift.

I carry out a walk-round check before every shift and report defects before driving, and I have had no drivers' hours or tachograph infringements in the last two years. I also hold a lorry loader certificate.

I prefer nights and can start at short notice. My CV is attached. Thank you for considering my application.

Yours sincerely

Darren Pike
