Dear Danielle

Commercial representation: Jasmine Kaur, model

I am a fashion and commercial model based in London, 5ft 10in with a dress size 8, and I am writing to ask whether your commercial division would consider representing me for advertising and television work.

This year I walked 22 looks in Marlow & Finch's autumn/winter show and shot a six-page knitwear story for Kestrel Quarterly. I also shoot about 60 looks a day for the Fernbrook online store, so I am used to long days and quick direction.

Last year I had a featured role with one line in a national advert for Kettleby Broadband, and I enjoyed working to camera. I would like to do more television and campaign work, which is where your commercial models are booked most.

My CV and current digitals are attached, and my measurements match them. I am happy to come in to meet you or to send a short video. Thank you for your time.

Kind regards

Jasmine Kaur
