Mr Huw Davies
Clinical Team Leader
Wyeside Ambulance Service NHS Trust
Wyeside Ambulance Station, Ross Road
Hereford HR2 7RL

Dear Mr Davies

Application for Paramedic (Urgent Care Rotation)

I am applying for the Paramedic post with the urgent care rotation at Wyeside Ambulance Service. I am an HCPC-registered paramedic with three years on a frontline emergency ambulance at Severnside Ambulance Service, and I hold a full driving licence with C1.

I attend 8 to 12 calls on a 12-hour shift as lead clinician, from cardiac arrests and strokes to falls and breathing difficulty. On urgent calls I decide with the patient, their GP or our clinical hub whether hospital is the right place; about a third of the patients I see on those calls are treated at home or referred to other care, and I record each decision in the electronic patient record.

The urgent care rotation would let me build on that work with more time on assessment and referral. I also mentor two student paramedics a year and would like to keep doing so with your students.

My CV is attached. I can start after one month's notice. Thank you for considering my application.

Yours sincerely

Bethan Rees
