Dear Mrs Shah

Application for Pharmacy Manager, Oadby branch

I am applying for the Pharmacy Manager post at your Oadby branch. I am a GPhC-registered pharmacist with six years in community pharmacy, and I am second pharmacist at a high-street branch dispensing about 9,000 items a month.

I carry out clinical checks and resolve queries with our GP practices, and I run our consultation room: blood pressure checks, flu vaccinations and the minor illness service, about 60 consultations a week.

I train two dispensers and a pharmacy technician, and each month I review near misses with the team so the same mistake does not happen twice. I also manage our controlled drugs records and the branch stock order.

I would value running a branch with a growing services list like Oadby's. My CV is attached. Thank you for considering my application.

Yours sincerely

Amir Hassan
