Dear Mr Oyelaran

Application for Band 7 Musculoskeletal Physiotherapist

I am applying for the Band 7 Musculoskeletal Physiotherapist post. I qualified in 2020 and have worked at Airedale Vale NHS Trust since then, the last three years as a Band 6 in musculoskeletal outpatients.

I assess and treat about 12 patients a day with back, neck, shoulder and knee problems and sports injuries. In 2024 I set up a six-week knee class for patients with osteoarthritis. It now runs every week for up to 10 patients, and they learn the exercises together that I used to teach one at a time.

I supervise two students on placement each year and would like to take on more of the teaching and service development a Band 7 post brings. Your plan to put physiotherapists in GP practices is the work I want to move towards.

My CV is attached. Thank you for considering my application; I would be glad to talk about the post.

Yours sincerely

Megan Rowlands
