Dear Mr Hughes

Application for Senior Sales Assistant

I am applying for the Senior Sales Assistant role at Tynebridge Home. I have four years' experience in homeware and fashion retail, on the tills, the shop floor and in the stockroom, and I am a keyholder for evening closes.

At Northgate Home Store I serve up to 150 customers a shift and get two deliveries a week priced and on the floor before opening. I also dress the seasonal window to the head office plan, and last spring I signed up more loyalty members than anyone else in the store.

I shop at Tynebridge Home myself and like the way your displays change with the seasons; I would enjoy helping with them.

I can work weekdays, evenings and weekends, including Christmas and the January sale. My CV is attached. Thank you for your time.

Yours sincerely

Jamal Hussain
