Dear Ms Marsh

**Application for Painter and Decorator, empty homes team**

I am applying for the Painter and Decorator role in your empty homes team. I have run my own decorating business in Bristol for ten years, and I would now like the steady work and team of a maintenance service.

I already work to other people's plans. As a subcontractor I decorated 40 flats on each of two refurbishment sites, finishing each block on the contractor's programme, and I am used to working in homes that need to be ready for new tenants by a set date.

I hold a CSCS Skilled Worker card and the PASMA towers course, and I do my own surface preparation, papering, varnishing and wood stain. Two contractors and several regular customers have agreed to give references.

I can start after finishing my booked jobs, in four weeks. My CV is attached. Thank you for considering my application.

Yours sincerely

Dean Fowler
