Dear Ms Chandran

Application for Senior Associate, Employment (ref. HM/EMP/112)

I am applying for the Senior Associate post in your employment team. I am an employment solicitor at Ashcombe Reid LLP, admitted in 2021, and I advise employers on tribunal claims, restructures and TUPE transfers.

I run about 30 matters at a time. On the contentious side I take claims from the ET3 response to final hearing, preparing witness statements, disclosure and schedules of loss and briefing counsel; this year that included a five-day disability discrimination hearing. On the advisory side I ran the consultation timetables for two collective redundancies at manufacturing clients.

I supervise a trainee and a paralegal, and I run monthly HR update sessions for our clients, which brought in two new retained clients this year. Education is already a third of my caseload, so your team's work for schools and academy trusts is the work I most want to grow.

My CV is attached. I would welcome the chance to discuss the role with you.

Yours sincerely

Niamh Gallagher
