Dear Mr Asante

Application for Support Worker, supported living

I am applying for the Support Worker post in your supported living service. I have six years in care, in a dementia care home and in people's own homes, and I hold a Level 3 Diploma in Adult Care.

In home care I visited up to 12 people a day, and I learned that the best visit was often the one where I did less: setting things out so a man could make his own breakfast again took longer at first, but it was what he wanted.

I have completed the Oliver McGowan Mandatory Training on Learning Disability and Autism (Tier 1) and I keep my safeguarding, medication and moving and handling training up to date. My enhanced DBS certificate is on the Update Service, and I drive.

I can work days, nights, weekends and sleep-ins. My CV is attached. Thank you for considering my application.

Yours sincerely

Grace Adeyemi
