Profile

Bakery assistant with two years of early starts in a busy high-street bakery, baking off, serving and taking payments, after a year picking online grocery orders. Quick on the till, keeps the counter clean and stocked, and trains new Saturday staff. Looking for a full-time customer assistant job in a supermarket.

Experience

Bakery Assistant | Corner Loaf Bakery, Leicester | September 2024–present

- Open the shop at 6am four days a week: bake off bread and pastries from the morning plan and fill the shelves before 7am.
- Serve about 250 customers a shift on the till, by cash and card, and cash up at close.
- Answer questions about ingredients and allergens, and take orders for celebration cakes.
- Rotate stock and record waste every day; cut bread waste from about 12% to 7% of each day's bake by baking smaller batches after 2pm.
- Follow the cleaning schedule for the ovens, counters and floor, and keep the food safety records.
- Trained three new Saturday staff on the till and the cleaning schedule.

Online Grocery Picker | Freshbox Groceries, Leicester | August 2023–August 2024

- Picked and packed about 150 orders a shift with a handheld scanner, at 99% accuracy.
- Checked use-by dates and chilled temperatures before orders were loaded.
