

Connor Doyle

Motor Vehicle Technician

Leicester | 07700 900229 | connor.doyle@example.com | Full UK driving licence

Profile

Light vehicle technician with seven years in an independent garage, four of them qualified. Diagnoses electrical and engine faults with scan tools, services and repairs cars and vans of all makes, and is trained to work on hybrid and electric vehicles. Looking for a technician or diagnostic role in a busy workshop.

Experience

Light Vehicle Technician | Wigston Lane Autos, Leicester | 2022–present

- Service and repair 25 to 30 cars and vans a week, from brakes and clutches to timing belts.
- Diagnose faults with Autel and Bosch scan tools; most electrical faults are now fixed on the first visit.
- Explain the fault, the repair and the cost to customers before work starts, and record every job on the garage system.
- Service hybrid and electric vehicles, including high-voltage isolation.
- Order parts and keep the stock list up to date.

Apprentice Technician | Wigston Lane Autos, Leicester | 2019–2022

- Road-tested repaired vehicles and completed service records.

Qualifications

Motor Vehicle Service and Maintenance Technician (Light Vehicle) Level 3 apprenticeship, Distinction | 2022

IMI Level 3 Award in Electric/Hybrid Vehicle System Repair and Replacement | 2024

MOT Tester, class 4 | 2023

GCSEs: 5 at grades 9 to 4, including English and maths

Skills

- Fault diagnosis: engine, electrical, ABS and airbags
- Servicing to manufacturer schedules
- Air conditioning regas
- Own hand tools
