

Siobhan Kelly

Registered Nurse (Adult)

Stoke-on-Trent · 07700 900162 · siobhan.kelly@example.com

Profile

Registered adult nurse with three years on a 30-bed general surgery ward. Plans and gives care for a bay of six patients from admission to discharge, including wound care, IV medicines and post-operative observations. Supports student nurses on placement and leads the ward's falls prevention checks. Looking for a junior sister or charge nurse post.

Registration

Nursing and Midwifery Council, Registered Nurse (Adult), 2023, PIN available on request

Clinical Experience

Staff Nurse, Ward 12, General Surgery, Trentvale Hospital, Stoke-on-Trent
September 2023–present

- Lead the care of six patients a shift: assessments, care plans, post-operative observations and early warning scores.
- Give IV antibiotics and fluids, manage drains and wounds, and escalate deteriorating patients to the surgical team.
- Plan discharges with patients, families and community teams, including teaching wound care at home.
- Practice supervisor for student nurses; supported eight students through placements.
- Lead the monthly falls prevention checks; falls on the ward fell from 9 to 4 a quarter over the last year.

Student Nurse placements, Trentvale Hospital and community teams
2020–2023

- Placements in acute medicine, orthopaedics, district nursing and a nursing home.
