

AMIR HASSAN

Pharmacist

Leicester · 07700 900190 · amir.hassan@example.com

PROFILE

GPhC-registered pharmacist with six years in community pharmacy, the last three as second pharmacist in a busy high-street branch dispensing about 9,000 items a month. Carries out clinical checks, runs the consultation room services and trains dispensers and pharmacy technicians. Looking for a pharmacy manager role.

EXPERIENCE

Pharmacist, Clockwise Pharmacy, Leicester 2023–present

- Clinically check prescriptions for a branch dispensing about 9,000 items a month, and resolve queries with GP practices.
- Run the consultation room: blood pressure checks, flu vaccinations and the minor illness service, about 60 consultations a week.
- Train two dispensers and a pharmacy technician, and review near misses with the team each month.
- Manage controlled drugs records and the stock order for the branch.

Pharmacist, Soar Valley Pharmacy, Loughborough 2020–2023

- Responsible pharmacist on weekend and late shifts in a 100-hour pharmacy.
