

Piotr Nowak

Warehouse Operative

Milton Keynes | 07700 900163 | piotr.nowak@example.com | Counterbalance forklift licence

Profile

Warehouse operative with five years in retail and parcel distribution centres, on picking, goods-in and loading. Picks accurately at pace, checks deliveries against paperwork and drives counterbalance forklifts safely. Available for days, nights and weekends. Looking for a warehouse operative or forklift driver role.

Experience

Warehouse Operative, Brightline Distribution, Milton Keynes	February 2023–present
- Pick and pack around 160 orders an hour with handheld scanners, at 99.7% accuracy over the last year. - Check goods-in against delivery notes and report damaged or missing items before they are booked in. - Move pallets to racking with a counterbalance forklift and keep aisles clear. - Load trailers to the dispatch plan so heavy items go first and drops come off in order.	
Picker Packer (agency), Various sites, Milton Keynes and Northampton	2021–2023
Picked and packed for parcel and retail clients through peak seasons.	

Licences and training

Counterbalance forklift licence	2023
Manual handling and fire marshal training	2025
Polish secondary school leaving certificate (matura)	2016

Skills

- Handheld scanners and warehouse management systems
- Goods-in checks and stock rotation
